Re: OPEL Corporate Documents and Emails

Dear Mr. Lauson:

I have requested all OPEL corporate documents, including organizational documents, from MB&H Corporate Services Limited and from Cafferata Corporate Service. I provided, to you, copies of our letters requesting the documents. I spoke to representative at each organization. I expect to receive documents in the coming days. When I receive them, I will scan them, add bates stamps and email copies to you.

I have also requested emails from PAIR networks. I expect to receive the emails in the coming days. When I receive them, I will remove attorney-client communications. If there are any non-privileged emails that are responsive to your requests, I will apply bates stamps and email them to you.

By tomorrow, August 8, 2017, please advise whether you still intend to file the motion to compel. If, despite the foregoing, you intend to file the motion we will provide our statements in the joint stipulation by the close of business, Wednesday, August 9, 2017.

Sincerely,

A handwritten signature in black ink, reading "Mark Young", with a long, sweeping horizontal line extending to the right.

Mark Young, P.A.
